Site Address; 10/10/11
21 Albert Rd.
NW1
Other;

Back Gdn.
Tilia spp. (Lime). Tree growing in close proximity to a building to the rear of the property. It has been previously reduced. Crown reduce by 25% and lift and cut back. Works due to proximity to the building.

Front Gdn.

Acer psuedoplatinus (Sycamore). Tree growing in close proximity to the property. It has been previously reduced Crown reduce by 25% and reshape. Remove selected limbs growing over hedge and cut in ivy. Works to allow more light to property, because of closeness to the property and to allow the establishment of the hedge

Tree to rear of property can be seen

on Albert Terrace Mews Tree to front of property can be seen on Albert Rd.

Yours sincerely

C. HOWARD
