

DATED

25 NOVEMBER

2011

(1) ALAN ELDAD HOWARD

and

(2) SABINE ESTER HOWARD

and

(3) THE MAYOR AND BURGESSES OF
THE LONDON BOROUGH OF CAMDEN

A G R E E M E N T
relating to land known as

12 Greenaway Gardens
London
NW3 7DH

pursuant to Section 106 of the Town and Country Planning
Act 1990 (as amended) and
Section 278 of the Highways Act 1980

Andrew Maughan
Head of Legal Services
London Borough of Camden
Town Hall
Judd Street
London WC1H 9LP

Tel: 020 7974 5647
Fax: 020 7974 2962

CLS/PK/1685.1179_FINAL

THIS AGREEMENT is made the 25th day of November 2011

BETWEEN:

- i. **ALAN ELDAD HOWARD and SABINE ESTER HOWARD** (together hereinafter called "the Owner") of the first part
- ii. **THE MAYOR AND BURGESSES OF THE LONDON BOROUGH OF CAMDEN** of Town Hall, Judd Street, London WC1H 9LP (hereinafter called "the Council") of the second part

WHEREAS

- 1.1 The Owner is registered at the Land Registry as the freehold proprietor with Title absolute of the Property under Title Number 375878.
- 1.2 The Owner is the freehold owner of and is interested in the Property for the purposes of Section 106 of the Act.
- 1.3 A Planning Application for the development of the Property was submitted to the Council and validated on 16th August 2011 and the Council resolved to grant permission conditionally under reference number 2011/4061/P subject to conclusion of this legal Agreement.
- 1.4 The Council is the local planning authority for the purposes of the Act for the area in which the Property is situated and considers it expedient in the interests of the proper planning of its area that the development of the Property should be restricted or regulated in accordance with this Agreement.
- 1.5 As local highway authority the Council considers the Highways Works to be carried out pursuant to this section 278 Agreement to be in the public benefit.
- 1.6 For that purpose the Owner is willing to enter into this Agreement pursuant to the provisions of Section 106 of the Act.

2. **DEFINITIONS**

In this Agreement the following expressions (arranged in alphabetical order) shall unless the context otherwise requires have the following meanings:-

- 2.1 "the Act" the Town and Country Planning Act 1990 (as amended)
- 2.2 "the Agreement" this Planning Obligation made pursuant to Section 106 of the Act
- 2.4 "the Development" alterations and extensions including two-storey side and two-storey rear extension, alterations to dormers on side and rear roof slopes and enlargement of basement all in connection with existing single family dwellinghouse (Class C3) as shown on drawing numbers 988-P00, P01revB, P02revB, P03revB, P04revB, P05revB, P06revB, P07revB, P08revB, P09revB, P10revB, P11revB, P12revB, P13revB, P14revB, P15revB; 988-P120revD, P121revD, P122revD, P123revD, P124revD, P125revD, P126revD, P127revE, P128revC, P129revE, P130revC, P131revC, P132revB, P133revC, P134revC, P135, P136, P137revA, P138revB, P139revA, P140revA, P141revA, P142revA, P143revA; Statement on Proposed Alterations to the Main Roof dated 04/10/11 by Hill Mitchell Berry; Assessment of effects of lateral retaining wall displacement of adjacent structures dated 28/07/11 by Webb Yates Engineers Revision X2; Stage C Structural Report dated 28/07/11 by Webb Yates Engineers Revision X4; Basement Impact Assessment dated 02/07/11 by Arup Issue 2; Sustainability Statement dated 28/07/11

by Richard Hodkinson Consultancy; Daylight/Sunlight Report dated 28/07/11 by Savills; Heritage Statement dated July 2011 by Turley Associates; Arboricultural Impact Assessment report dated 29/07/11 by Landmark Trees; Plant Noise Assessment Report 4308/PNA dated 25/07/11 by RBA Acoustics Revision 1; Construction Management Plan dated 28/07/11 by Webb Yates Engineers Revision X2; Planning Statement dated July 2011 by London Planning Practice Ltd; E-mail from Savills dated 23/09/11.

2.5 "the Certificate of Practical Completion"

the certificate issued by the Owner's contractor or architect or project manager certifying that the Development has been completed

2.6 "Construction Management Plan"

a plan setting out the measures that the Owner will adopt in undertaking the partial demolition works to the existing building as shown on the approved drawings and the construction of the Development using good site practices in accordance with the Council's Considerate Contractor Manual to ensure the Construction Phase of the Development can be carried out safely and with minimal possible impact on and disturbance to the surrounding environment and highway network including (but not limited to):-

- (i) a statement to be submitted to the Council giving details of the environmental protection highways safety and community liaison measures proposed to be adopted by the Owner in order to mitigate and offset potential or

likely effects and impacts arising from the partial demolition works to the existing building as shown on the approved drawings and the building out of the Development;

- (ii) incorporation of the provisions set out in the First Schedule annexed hereto;
- (iii) incorporation of the provisions set out in the Second Schedule annexed hereto;
- (iv) proposals to ensure there are no adverse effects on the Conservation Area features;
- (v) effects on the health and amenity of local residences site construction workers local businesses and adjoining developments undergoing construction;
- (vi) amelioration and monitoring measures over construction traffic including procedures for notifying the owners and or occupiers of the residences and businesses in the locality in advance of major operations delivery schedules and amendments to normal traffic arrangements (if any);
- (vii) the inclusion of a waste management strategy for handling and disposing of construction waste; and
- (viii) identifying means of ensuring the provision of information to the Council

and provision of a mechanism for monitoring and reviewing as required from time to time

- 2.7 "the Construction Phase" the whole period between
- (i) the Implementation Date and
 - (ii) the date of issue of the Certificate of Practical Completion
- and for the avoidance of doubt includes the partial demolition works to the existing building as shown on the approved drawings
- 2.8 "the Council's Considerate Contractor Manual" the document produced by the Council from time to time entitled "Guide for Contractors Working in Camden" relating to the good practice for developers engaged in building activities in the London Borough of Camden
- 2.9 "the Existing Buildings" any building or structure or part thereof in existence at the Property
- 2.10 "the Implementation Date" the date of implementation of the Development by the carrying out of a material operation as defined in Section 56 of the Act and references to "Implementation" and "Implement" shall be construed accordingly
- 2.11 "the Highways Contribution" the sum of £7,245 (seven thousand two hundred and forty-five pounds) to be paid by the Owner to the Council in accordance with the terms of this Agreement and to be applied by the Council in event of receipt for the carrying out works to the public highway and associated measures in the

vicinity of the Property such works to include the following ("the Highways Works");

- (i) repaving of the footway adjacent to the Property;
- (ii) repaving of the vehicle crossover adjacent to the Property;
- (iii) any other works required as a direct result of the Development (such works as considered necessary by the Council)

all works will be subject to final measure and any level adjustment required and for the avoidance of doubt the Council in accepting this sum does not undertake any responsibility in connection with any required statutory undertakers works and excludes any statutory undertaker's costs

2.12 "the Level Plans

plans demonstrating the levels at the interface of the Development the boundary of the Property and the Public Highway

2.13 "Occupation Date"

the first date when any part of the Development is occupied and the phrases "Occupy", "Occupied" and "Occupation" shall be construed accordingly

2.14 "the Parties"

the Council and the Owner

2.15 "the Planning Application"

a planning application in respect of the development of the Property submitted to the Council and validated on 16th August 2011 for which a resolution to grant permission has been passed conditionally under reference number 2011/4061/P subject to conclusion of this Agreement

- 2.16 "Planning Obligations Monitoring Officer" a planning officer of the Council from time to time allocated to deal with all planning obligations pursuant to S106 of the Act to whom all notices, correspondence, approvals etc must be sent in the manner prescribed at clause 6.1 hereof
- 2.17 "the Planning Permission" a planning permission granted for the Development substantially in the draft form annexed hereto
- 2.18 "the Property" the land known as 12 Greenaway Gardens, London, NW3 7DH the same as shown shaded grey on the plan annexed hereto
- 2.19 "the Public Highway" any carriageway footway and/or verge adjoining the Property maintainable at public expense

NOW THIS DEED WITNESSETH as follows:-

- 3.1 This Agreement is made in pursuance of Section 106 of the Act, and is a planning obligation for the purposes of Section 106 as aforesaid, and shall be enforceable by the Council against the Owner as provided herein and against any person deriving title to any part of the Property from the Owner and insofar as it is not a planning obligation its provisions may be enforceable by the Council under any relevant statutory powers.
- 3.2 Words importing the singular shall include the plural and vice versa and any words denoting actual persons shall include companies corporations and other artificial persons.
- 3.3 Any reference to a specific statute or statutes include any statutory extension or modification amendment or re-enactment of such statute and any regulation or orders made under such statute.

3.4 The clause and paragraph headings do not form part of this Agreement and shall not be taken into account in its construction or interpretation.

3.5 It is hereby agreed between the Parties that save for the provisions of clauses 1, 2, 3, 5, 6, 7 and 8 hereof all of which shall come into effect on the date hereof the covenants undertakings and obligations contained within this Agreement shall become binding upon the Owner upon the Implementation Date.

3.6 The Council hereby agrees to grant the Planning Permission on the date hereof.

3.7 The Parties save where the context states otherwise shall include their successors in title.

4. **OBLIGATIONS OF THE OWNER**

The Owner hereby covenants with the Council as follows:-

4.1 **CONSTRUCTION MANAGEMENT PLAN**

4.1.1 On or prior to the Implementation Date to provide the Council for approval a draft Construction Management Plan.

4.1.2 Not to Implement nor allow Implementation of the Development until such time as the Council has approved the Construction Management Plan as demonstrated by written notice to that effect.

4.1.3 The Owner acknowledges and agrees that the Council will not approve the Construction Management Plan unless it demonstrates to the Council's reasonable satisfaction that the Construction Phase of the Development can be carried out safely and with minimal possible impact on and disturbance to the surrounding environment and highway network.

4.1.4 To ensure that throughout the Construction Phase the Development shall not be carried out otherwise than in strict accordance with the requirements of the Construction Management Plan and not to permit the carrying out of any works comprised in demolition or building out the Development at any time when the

requirements of the Construction Management Plan are not being complied with and in the event of non compliance with this sub-clause the Owner shall upon notice from the Council forthwith take any steps required to remedy such non-compliance.

4.2 HIGHWAYS

4.2.1 On or prior to the Implementation Date to:-

- (i) pay to the Council the Highways Contribution in full; and
- (ii) submit to the Council the Level Plans for approval.

4.2.2 Not to Implement or to allow Implementation until such time as the Council has:-

- (i) received the Highways Contribution in full; and
- (ii) approved the Level Plans as demonstrated by written notice to that effect.

4.2.3 For the avoidance of doubt the Owner acknowledges that the Council has the right reserved to it to construct the Public Highway to levels it considers appropriate and does not undertake any responsibility in connection with any required statutory undertakers works and that the Highways Contribution excludes any statutory undertaker's costs.

4.2.4 On completion of the Highway Works the Council may provide to the Owner a certificate specifying the sum ("the Certified Sum") expended by the Council in carrying out the Highway Works.

4.2.5 If the Certified Sum exceeds the Highway Contribution then the Owner shall within fourteen days of the issuing of the said certificate pay to the Council the amount of the excess.

5. NOTICE TO THE COUNCIL/OTHER MATTERS

5.1 The Owner shall give written notice to the Council on or prior to the Implementation Date specifying that Implementation of the Development has taken or is about to take place.

5.2 Within seven days following completion of the Development the Owner shall certify in writing to the Planning Obligations Monitoring Officer in the manner outlined at clause

6.1 hereof quoting planning reference 2011/4061/P the date upon which the Development is ready for Occupation.

- 5.3 The Owner shall act in good faith and shall co-operate with the Council to facilitate the discharge and performance of all obligations contained herein and the Owner shall comply with any reasonable requests of the Council to have access to any part of the Property or any requests to provide documentation within the Owner's possession (at the Owner's expense) for the purposes of monitoring compliance with the obligations contained herein.
- 5.4 The Owner agrees declares and covenants with the Council that it shall observe and perform the conditions restrictions and other matters mentioned herein and shall not make any claim for compensation in respect of any condition restriction or provision imposed by this Agreement and further shall indemnify the Council for any expenses or liability arising to the Council in respect of breach by the Owner of any obligations contained herein save to the extent that any act or omission of the Council its employees or agents has caused or contributed to such expenses or liability.
- 5.5 If satisfied as to the compliance of the Owner in respect of any obligation in this Agreement the Council shall (if requested to do so in writing and subject to payment of a fee of £1,000 in respect of each such obligation) provide through its Head of Legal Services a formal written certification of compliance, partial compliance or ongoing compliance (as and if appropriate) with the provisions of any such obligation.
- 5.6 Submission of any plan to the Council for approval by the Council under the terms of this Agreement shall be made by the Owner to the Council sending the full document and any appendices in electronic format to the Planning Obligations Monitoring Officer referring to the names dates and Parties to this Agreement and citing the specific clause of this Agreement to which such plan relates quoting the planning reference 2011/4061/P.
- 5.7 Payment of the financial contribution pursuant to Clause 4.2 of this Agreement shall be made by the Owner to the Council sending the full amount in the form of a Banker's Draft to the Planning Obligations Monitoring Officer referring to the names dates and Parties to this Agreement and citing the specific clause of this Agreement to which such Contribution relates quoting the Income Code ZN281ZL065 or by

Electronic Transfer directly to the Co-Operative Bank plc of 1 Islington High Street London N1 9TR quoting Sort Code 08-90-33 and London Borough of Camden General Account No. 61030019 and to inform the Planning Obligations Monitoring Officer of such payment quoting the above details as if the payment had been made by Banker's Draft.

5.8 All consideration given in accordance with the terms of this Agreement shall be exclusive of any value added tax properly payable in respect thereof and all parties other than the Council shall pay and indemnify the Council against any such value added tax properly payable on any sums paid to the Council under this Agreement upon presentation of an appropriate value added tax invoice addressed to the Owner.

5.9 Any sums referred to in this Agreement as payable or to be applied by any party other than the Council under this Agreement shall be paid or applied TOGETHER WITH if such payment or application is made more than three months from the date of this Agreement a further sum ("A") being equal to the original sum payable ("B") multiplied by a figure being a fraction of which the All Items of Retail Prices ("the AllRP") figure last published by the Central Statistical Office at the date hereof is the denominator ("X") and the last AllRP figure published before the date such payment or application is made ("Y") less the last published AllRP figure at the date hereof ("X") is the numerator so that

$$A = B \times \frac{(Y-X)}{X}$$

5.10 All costs and expenses payable to the Council under this Agreement shall bear interest at the rate of 4% above the Base Rate of the National Westminster Bank plc from time to time being charged from the date such payment is due until payment is made.

6. **IT IS HEREBY AGREED AND DECLARED** by the Parties hereto that:-

6.1 The provisions of Section 196 of the Law of Property Act 1925 (as amended) shall apply to any notice or approval or agreement to be served under or in connection with this Agreement and any such notice or approval shall be in writing and shall specifically refer to the name, date and Parties to the Agreement and shall cite the

clause of the Agreement to which it relates and in the case of notice to the Council shall be addressed to the London Borough of Camden, Planning Obligations Officer, Urban Design and Renewal, Planning and Public Protection, Culture and Environment Directorate, Town Hall Annex, Argyle Street, London WC1H 9LP quoting the planning reference number 2011/4061/P and in the case of any notice or approval or agreement from the Council this shall be signed by a representative of the Council's Environment Department.

- 6.2 This Agreement shall be registered as a Local Land Charge.
- 6.3 The Owner agrees to pay the Council its proper and reasonable legal costs incurred in preparing this Agreement on or prior to the date of completion of the Agreement.
- 6.4 The Owner hereby covenants with the Council that it will within 28 days from the date hereof apply to the Chief Land Registrar of the Land Registry to register this Agreement in the Charges Register of the title to the Property and will furnish the Council forthwith on written demand with official copies of such title to show the entry of this Agreement in the Charges Register of the title to the Property.
- 6.5 Nothing contained or implied in this Agreement shall prejudice or affect the Council's powers to enforce any specific obligation term or condition nor shall anything contained or implied herein prejudice or affect any provisions, rights, powers, duties and obligations of the Council in the exercise of its functions as Local Planning Authority for the purposes of the Act or as a local authority generally and its rights, powers, duties and obligations under all public and private statutes, bye laws and regulations may be as fully and effectually exercised as if the Council were not a party to this Agreement.
- 6.6 Neither the Owner nor their successors in title nor any person deriving title from them shall be bound by the obligations in this Agreement in respect of any period during which it no longer has an interest in the Property but without prejudice to liability for any breach committed prior to the time it disposed of its interest.
- 6.7 For the avoidance of doubt the provisions of this Agreement (other than those contained in this sub-clause) shall not have any effect until this Agreement has been dated.

6.8 If the Planning Permission is quashed or revoked or otherwise withdrawn or expires before effluxion of time for the commencement of development or is modified (other than by agreement with or at the request of the Owner) this Agreement shall forthwith determine and cease to have effect and the Council will effect cancellation of all entries made in the Register of Local Land Charges in respect of this Agreement.

7. **JOINT AND SEVERAL LIABILITY**

7.1 All Covenants made by **ALAN ELDAD HOWARD** and **SABINE ESTER HOWARD** (the Owner) in this Agreement are made jointly and severally and shall be enforceable as such.

8. **RIGHTS OF THIRD PARTIES**

8.1 The Contracts (Rights of Third Parties) Act 1999 shall not apply to this Agreement

THE FIRST SCHEDULE
Construction Management Plan
Air Quality and Carbon Reduction

Requirements to control and minimise NO_x, PM₁₀, CO₂ emissions from construction sites and avoid nuisance and dust complaints.

A method statement shall be prepared and adopted as part of the Construction Management Plan to minimise gaseous and particulate matter emissions generated during the Construction Phase. The method statement shall identify the specific measures which will be implemented to control air pollution emissions during each of the following stages of the Construction Phase: (a) demolition; (b) ground breaking; and (c) construction/build.

The Construction Phase shall be carried out in accordance with the Best Practise Guidance Note "Control of dust and emissions from construction and demolition" published by London Councils, 2006. The risk rating of the site shall be defined in the method statement and determined using the risk assessment methodology in the Best Practise Guidance. Techniques to control dust from construction activities and emissions from vehicles and plant, and undertake air quality monitoring, shall conform to the 'medium' or 'high' risk categories outlined in the Best Practice Guidance.

The following best practise measures shall be included as a minimum in the method statement:-

A - Techniques to control PM₁₀ and NO_x emissions from vehicles and plant

- a) Low emission plant fitted with catalysts, diesel particulate filters or similar devices shall be used;
- b) Plant shall be well maintained, with routine servicing of plant and non-road mobile machinery (NRMM) to be completed in accordance with the manufacturers recommendations;
- c) Avoid the use of diesel or petrol powered generators and use mains electricity or battery powered equipment;
- d) Non-road mobile machinery (NRMM) shall use ultra low sulphur tax-exempt diesel and be fitted with appropriate exhaust after-treatment such as catalysts, diesel particulate filters as stated on the approved list managed by the Energy Saving Trust. Details of the plant and control equipment shall be included in the method statement.

- e) All construction vehicles shall comply with the Euro 4 emissions standard and where possible use low emission fuels and alternative technology.
- f) Plant and vehicles shall be located way from the closest receptors or house in closed environments where possible.

B - Techniques to control dust emissions from construction and demolition

- a) Keep site fencing, barriers and scaffolding clean using wet methods;
- b) Buildings to be demolished shall be wrapped
- c) Provide easily cleaned hard standing for vehicles and clean using wet sweeping methods;
- d) Provide the use of wheel-wash facilities near the site exit. Fit wheel-washes with rumble grids to dislodge accumulated dust and mud prior to leaving the site to avoid carrying dust or mud off the site;
- e) Inspect internal haul routes for integrity and instigate necessary repairs to the surface as soon as reasonably practicable;
- f) Routinely clean the Public Highways and accesses using wet sweeping methods especially during dry periods;
- g) Impose and signpost maximum speed limits of 10 mph on surfaced haul routes and work areas within the Site;
- h) Ensure all vehicles carrying loose or potentially dusty material to or from the site are fully sheeted;
- i) Store materials with the potential to produce dust away from site boundaries;
- j) Sheet, seal or damp down stockpiles of excavated material held on site;
- k) Any loose materials brought onto the site shall be protected by appropriate covering
- l) The site shall be dampened down during the working day and again at the end of the day to reduce the amount that is re-suspended dust.
- m) Ensure water suppression is used during demolition operations;
- n) Ensure mobile crushing and screening plant and cement batching plant which are regulated under the Local Air Pollution Prevention and Control regime operate in compliance with a Part B Permit. This shall be submitted to the local authority prior to operation.
- o) Site personnel shall be trained in dust mitigation and a manager shall be present for managing dust on site.

C - Air Quality Monitoring

- a) Throughout the Construction Phase continuous particulate matter (PM10) monitoring shall be undertaken. Two instruments will be deployed at the site boundary in a transect orientated to the prevailing wind direction, with a third monitor located at the nearest sensitive receptor. One monitor shall be co-located with an anemometer.
- b) Adequate quality assurance/quality control procedures shall be in place including monitor maintenance and calibration as well and data checking. PM10 data shall be collected automatically on an hour basis.
- c) A trigger action level for PM10 concentrations of $200\mu\text{g.m}^{-3}$ (15 minute average) shall be used to identify incidences of elevated dust emissions at the site boundary. The development site shall comply with the trigger action throughout the demolition and construction phases.
- d) An on-site alert system (email or SMS) shall be in place to notify appropriate staff that the trigger action level has been reached. Immediate and appropriate measures can be put in place to rectify abnormal particulate emissions. A procedure shall be established to deal with abnormal dust emissions. All incidences of abnormal particulate emissions leading to breaches of the trigger action level, shall be documented in the site log book (date and time), with details of the action take to remediate dust emissions.
- e) An e-mail specifying details of any alert to be sent out to the Council's air quality officer as soon as practicable following any breach of the site trigger action level.
- f) An electronic report shall be submitted to the Council's air quality officer every three months summarising the following information from each monitoring site – 24 hour average PM10 concentration, date and time of any breach of the trigger action level with the 15 minute mean concentration, prevailing wind direction and details of the cause of elevated dust emissions and mitigation measures.
- g) The Council shall be notified of any changes to the location and operation of dust PM10 monitoring instrumentation.
- h) A 24-hour phone hotline shall be set up so that residents can complain about high dust or PM10 levels directly to the developer.

The following items shall be included in the method statement:

- a) A specific timetable identifying the start and finish dates of each phase, including dust generating activities and PM10 monitoring.
- b) An inventory of stationary and fugitive dust, PM10 and NOx emission sources with an explanation of how these will be mitigated in accordance with the London Council's Best Practise Guidance.
- c) A map identifying the location of dust generating activities, plant equipment associated with emissions to air and PM10 monitors.
- d) An air quality monitoring protocol prepared in accordance with the requirements of section C.

D - Techniques to reduce CO₂ emissions from construction vehicles

A commitment from the Owner that contractors' vehicles involved in construction and demolition work will adopt 'green fleet management practices' that will result in a 10% reduction in tail-pipe CO₂ emissions over the duration of the construction phase. A green fleet management plan included in the method statement identifying measures to improve vehicle efficiency and reduce CO₂ emissions from construction vehicles. This could include the use of fuel monitoring equipment in vehicles, eco-driver training, accreditation with FORS (Freight Operator Recognition Scheme run by TfL) or SAFED (Safe and Fuel Efficient Driving run by the DfT) and use of low carbon vehicles such as hybrid electric, electric and bio-methane.

THE SECOND SCHEDULE
Construction Management Plan
Highway Measures

A Construction Management Plan outlines how construction work will be carried out and how this work will be serviced (e.g. delivery of materials, set down and collection of skips), with the objective of minimising traffic disruption and avoiding dangerous situations and minimising the impact on local amenity. A Construction Management Plan should cover both demolition and construction phases of development. Details of the Construction Management Plan will relate to the scale and kind and location of the development and they should assess the impact on transport and on local amenity including road user amenity. Should any one of these criteria be considered not to be relevant, then specific justification, as to why that particular criterion is not relevant, will need to be provided. The Construction Management Plan should demonstrate that the following has been considered and where necessary the impacts mitigated:

(Note the term 'vehicles' used here refers to all vehicles associated with the implementation of the development, e.g. demolition, site clearing, delivering of plant, material and construction, staff parking etc)

- a) A brief description of the site, surrounding area and development proposals for which the Construction Management Plan applies.
- b) Proposed start and end dates for each phase of construction.
- c) The proposed working hours within which vehicles will arrive and depart.
- d) The access arrangements for vehicles.
- e) Proposed routes for vehicles between the site and the Transport for London Road Network (TLRN). Consideration should also be given to weight restrictions, low bridges and cumulative affects of construction on the highway. A map of the TLRN can be downloaded from the following site:-
http://www.tfl.gov.uk/assets/downloads/TFL_Base_Map_Master.pdf
- f) Typical sizes of all vehicles and the approximate frequency and times of day when they will need access to the site, for each phase of construction.
- g) Swept path drawings for any tight manoeuvres on vehicle routes to the site.
- h) Details (including accurate scaled drawings) of any highway works necessary to enable construction to take place.

- i) Parking and loading arrangement of vehicles and delivery of materials and plant to the site.
- j) Details of proposed parking bays suspensions and temporary traffic management orders.
- k) Proposed overhang (if any) of the public highway (scaffolding, cranes etc.).
- l) Details of hoarding required or any other occupation of the public highway.
- m) Details of how pedestrian and cyclist safety will be maintained, including any proposed alternative routes (if necessary), and any Banksman arrangements.
- n) Details of how traffic associated with the Development will be managed in order to reduce congestion.
- o) Details of any other measures designed to reduce the impact of associated traffic (such as the use of construction material consolidation centres).
- p) Details of how any significant amounts of dirt or dust that may be spread onto the public highway will be cleaned or prevented.
- q) Details of consultation on a draft Construction Management Plan with local residents, business, local groups (e.g. residents/tenants and business associations) and Ward Councillors. Details should include who was consulted, how the consultation was conducted and the comments received in response to the consultation. In response to the comments received, the Construction Management Plan should then be amended where appropriate and where not appropriate a reason should be given why not. The revised Construction Management Plan should also include a list of all the comments received. You are advised to check your proposed approach to consultation with the Council before carrying it out.
- r) Details of any Construction Working Group that will be set up, addressing the concerns of surrounding residents, as well as contact details for the person responsible for community liaison on behalf of the developer, and how these contact details will be advertised to the community.
- s) Details of any schemes such as the "Considerate Contractors Scheme" that the project will be signed up to should form part of the consultation and be notified to the Council. Contractors will also be required to follow the "Guide for Contractors Working in Camden" also referred to as "Camden's Considerate Contractor's Manual"
- t) Details of other construction sites in the local area and how your Construction Management Plan takes into consideration the cumulative effects of construction local to your site.
- u) Any other relevant information with regard to traffic and transport.

- v) The Construction Management Plan should also include the following statement:

"The agreed contents of the Construction Management Plan must be complied with unless otherwise agreed with the Council. The project manager shall work with the Council to review this Construction Management Plan if problems arise in relation to the construction of the Development. Any future revised plan must be approved by the Council and complied with thereafter."

It should be noted that any agreed Construction Management Plan does not prejudice further agreement that may be required for things such as road closures or hoarding licences

IN WITNESS whereof the Council has caused its Common Seal to be hereunto affixed and the Owner has executed this instrument as its Deed the day and year first before written

Application Ref: 2011/4061/P

25 October 2011

Dear Sir/Madam

DRAFT
FOR INFORMATION ONLY - THIS IS NOT A FORMAL DECISION
Town and Country Planning Acts 1990 (as amended)

DECISION SUBJECT TO A SECTION 106 LEGAL AGREEMENT

Address:
12 Greenaway Gardens
London
NW3 7DH

Proposal:
Alterations and extensions including two-storey side and two-storey rear extension, alterations to dormers on side and rear roof slopes and enlargement of basement all in connection with existing single family dwellinghouse (Class C3).

DECISION

The Council has considered your application and decided to grant permission subject to the conditions and informatives (if applicable) listed below **AND** subject to the successful conclusion of a Section 106 Legal Agreement.

The matter has been referred to the Council's Legal Department and you will be contacted shortly. If you wish to discuss the matter please contact **Aidan Brookes** in the Legal Department on **020 7 974 1947**.

Once the Legal Agreement has been concluded, the formal decision letter will be sent to you.

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 Detailed drawings, or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the Council before the relevant part of the work is begun:

a) Plan, elevation and section drawings of all new external doors and typical new windows.

b) Samples and/or manufacturer's details of all new roofing materials.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour, texture and size, those of the existing historic building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 4 The development hereby approved shall not commence until such time as a suitably experienced and qualified chartered engineer with membership of the appropriate professional body has been appointed to inspect, approve and monitor the critical elements of the demolition and permanent and temporary basement construction works throughout their duration to ensure compliance with the design which has been checked and approved by a building control body. Evidence of the appointment shall be confirmed in writing to the Council prior to the commencement of development. Any subsequent change or reappointment shall be confirmed forthwith for the duration of the construction works.

Reason: To safeguard the appearance and structural stability of the building and the character of the immediate area in accordance with the requirements of policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24, DP25, DP26 and DP27 of the London Borough of Camden Local Development Framework Development Policies.

- 5 The temporary and permanent works relating to the construction of the basement shall not be carried out other than in complete accordance with the recommendations relating to subterranean groundwater flow, set out in Chapter 8 of the Arup Basement Impact Assessment hereby approved.

Reason: To safeguard the local water environment, amenity of neighbours and the character of the immediate area in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policies DP23, DP26 and DP27 of the London Borough of Camden Local Development Framework Development Policies.

- 6 All trees on the site, or parts of trees growing from adjoining sites, unless shown on the permitted drawings as being removed, shall be retained and protected from damage to the satisfaction of the Council. Details shall be submitted to and approved by the Council before works commence on site to demonstrate how trees to be retained shall be protected during construction work: such details shall follow guidelines and standards set out in BS5837:2005 "Trees in Relation to Construction".

Reason: To ensure that the Council may be satisfied that the development will not have an adverse effect on existing trees and in order to maintain the character and amenities of the area in accordance with the requirements of policy CS15 of the London Borough of Camden Local Development Framework Core Strategy.

- 7 The development shall not be occupied until such time as a Post-Construction EcoHomes Certificate, prepared by a suitably qualified and certified EcoHomes assessor, demonstrating how the development has achieved the EcoHomes standard of at least 'Very Good', has been submitted to and approved in writing by the Council. All measures required to achieve such level shall be retained and maintained thereafter.

Reason: To ensure a sustainable and resource efficient development in accordance with the requirements of policies CS13 and CS16 of the London Borough of Camden Local Development Framework Core Strategy and policies DP22, DP23 and DP32 of the London Borough of Camden Local Development Framework Development

Policies.

- 8 Noise levels at a point 1 metre external to sensitive facades shall be at least 5dB(A) less than the existing background measurement (LA90), expressed in dB(A) when all plant/equipment (or any part of it) is in operation unless the plant/equipment hereby permitted will have a noise that has a distinguishable, discrete continuous note (whine, hiss, screech, hum) and/or if there are distinct impulses (bangs, clicks, clatters, thumps), then the noise levels from that piece of plant/equipment at any sensitive façade shall be at least 10dB(A) below the LA90, expressed in dB(A).

Reason: To safeguard the amenities of the adjoining premises, in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policies DP26 and DP28 of the London Borough of Camden Local Development Framework Development Policies.

- 9 A sample panel of the facing brickwork demonstrating the proposed colour, size, texture, face-bond and pointing shall be provided on site and approved in writing by the Council before the relevant parts of the works are commenced and the development shall be carried out in accordance with the approval given. The sample panel shall be retained on site until the work has been completed.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 10 No development shall take place until full details of hard and soft landscaping and means of enclosure of all un-built, open areas have been submitted to and approved by the Council. Such details shall include details of any proposed earthworks including grading, mounding and other changes in ground levels. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To enable the Council to ensure a reasonable standard of visual amenity in the scheme in accordance with the requirements of policy CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 11 All hard and soft landscaping works shall be carried out to a reasonable standard in accordance with the approved landscape details by not later than the end of the planting season following completion of the development or any phase of the development, whichever is the sooner. Any trees or areas of planting which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced as soon as is reasonably

possible and, in any case, by not later than the end of the following planting season, with others of similar size and species, unless the Council gives written consent to any variation.

Reason: To ensure that the landscaping is carried out within a reasonable period and to maintain a satisfactory standard of visual amenity in the scheme in accordance with the requirements of policy CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 12 The development hereby permitted shall be carried out in accordance with the following approved plans:

988-P00, P01revB, P02revB, P03revB, P04revB, P05revB, P06revB, P07revB, P08revB, P09revB, P10revB, P11revB, P12revB, P13revB, P14revB, P15revB; 988-P120revD, P121revD, P122revD, P123revD, P124revD, P125revD, P126revD, P127revE, P128revC, P129revE, P130revC, P131revC, P132revB, P133revC, P134revC, P135, P136, P137revA, P138revB, P139revA, P140revA, P141revA, P142revA, and P143revA.

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposed development is in general accordance with the London Borough of Camden Local Development Framework Core Strategy, with particular regard to policies CS1 (Distribution of growth), CS4 (Areas of more limited change), CS5 (Managing the impact of growth and development), CS13 (Tackling climate change through promoting higher environmental standards), CS14 (Promoting high quality places and conserving our heritage), CS15 (Protecting and improving our parks and open spaces and encouraging biodiversity) and CS19 (Delivering and monitoring the core strategy) the London Borough of Camden Local Development Framework Development Policies, with particular regard to policies DP20 (Movement of good and materials), DP21 (Development connecting to the highway network), DP22 (Promoting sustainable design and construction), DP23 (Water), DP24 (Securing high quality design), DP25 (Conserving Camden's heritage), DP26 (Managing the impact of development on occupiers and neighbours), DP27 (Basements and lightwells) and DP28 (Noise and vibration). For a more detailed understanding of the reasons for the granting of this planning permission, please refer to the officers report.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 2363).

- 3 Your proposals may be subject to control under the Party Wall etc Act 1996 which covers party wall matters, boundary walls and excavations near neighbouring buildings. You are advised to consult a suitably qualified and experienced Building Engineer.
- 4 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 5 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ

Yours faithfully

Culture and Environment Directorate

DECISION

DATED 25 NOVEMBER 2011
