DO NOT SCALE FROM THIS DRAWING.  
The contractor shall check and verify all dimensions on site and report any discrepancies in writing to smith lam architects before proceeding with work.

FOR ELECTRONIC DATA ISSUE  
Electronic data drawings are issued as "read only" and should not be interpreted for measurement. All dimensions and levels should be read, only from those values stated in text, on the drawing.

AREA MEASUREMENT  
The areas are approximate and can only be verified by a detailed dimensional survey of the completed building. Any decisions to be made on the basis of these measurements, whether as to project viability, pre-selling, lease agreements or the like, should include due allowance for increases and decreases allowed in the design development and building process. Figures relate to the likely areas of the building at the current stage of the design and are not intended to be used for any other purpose. All areas are subject to Town Planning and Conservation Area Consents, and Section Rights to Light analysis.
