**Your ref:**

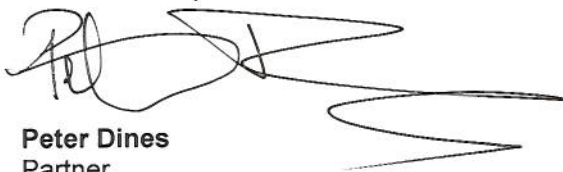

Dear Sirs

**Proposed variation to planning permission 2010/0086/P 25 Agar Grove Planning Portal ref: 1735244**

Please find attached a cheque for £170, made out to the Camden Council. This is in respect of the above matter.

This application is for the variation in the material used externally on the ground floor link structure. The approved use of glass is viewed as being impractical and a more traditional roof finish - Zink is now proposed. Also minor internal rearrangements are proposed but these keep the ground floor cycle and refuse arrangements.

Yours sincerely
