Dear Sir/Madam

TREE WORKS

May I request approval to proceed with tree works in the front garden of my home address above, as follows;

Small Holly Tree: Trim and shape keeping same height and width.

Bay Tree: Trim and shape keeping same height and width.

Ash Tree: Reduce by 20% and remove dead wood.

I am aiming to carry this work out in the New Year using the services of a tree expert.

Thank you

Yours faithfully

R David
