

This architectural floor plan shows a building section. On the left is a large, empty white rectangular area. To the right is a building footprint with a grey wall. Inside the building, there is a large room with a dashed rectangular outline in the center. Along the left wall of this room, there is a small kitchenette area with a sink and stove, and a set of stairs leading down. At the bottom of the room is a long, narrow area with a red grid pattern, possibly a parking lot or a specialized storage area. On the right side of the building, there is a circular structure with a radial pattern, resembling a dome or a large window, and a small blue-shaded area at the bottom right corner.
