

Installation of roof mounted fan for gas fire
by specialist sub-contractor. Access via
existing rooflight

No works to first and second floors, with
exception of integration of existing
services with new system

New contemporary extension to
rear of property

External landscaping to be carried out by
employer post-completion

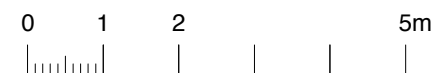

New concrete slab foundations and underpinning
of existing walls to engineer's design

New external lightwell to allow
daylight into basement bedroom B7

Existing front boundary wall retained

Existing concrete slab retained to
majority of front basement space
