Client

The British Museum

A detailed architectural key plan of the site. The plan shows a large rectangular building with a central courtyard. The building is oriented with its long side running north-south. The surrounding streets are labeled: 'W. 10th St.' to the north, 'W. 9th St.' to the south, 'W. 8th St.' to the west, and 'W. 7th St.' to the east. The building's footprint is outlined in black, and the surrounding streets and sidewalks are also clearly marked. The plan includes various details such as windows, doors, and interior partitions.
