Dear Sir / Madam

TOWN AND COUNTRY PLANNING ACT 1990

SITE: Leo Baeck House, 65-67 The Bishops Avenue, London, N2 0BG

PROPOSAL: Conversion and alterations (including demolition of rear extension) of Leo Baeck House to create 3 residential units. Demolition of Balint and Osmond House. Retention of the Coach House, three storey extension to the rear of the coach house and conversion to provide 3 residential units. Erection of two new four storey buildings in place of Balint and Osmond House with additional accommodation in the basement to create 14 residential units. Associated landscaping, entrance gates and parking facilities and basement parking. Erection of summer house and two concierge buildings.

I have received the above planning application in which you may have an interest.

If a copy of the plans is not enclosed, plans will be available to view online, 7 days from the date of this notification, at www.barnet.gov.uk/planning-applications. To view the plans, please search using the reference number **F/04159/11**.

Comments may be submitted online via the website.

If you wish to comment on the application please make sure these are submitted before **15 November 2011**. Should I not hear from you by **15 November 2011**, I shall assume that you have no observations to make.

Yours faithfully

David Campbell, Senior Planner, Finchley & Golders Green Area Team
