

Scope of Works to Existing Windows

- Existing sash cords and weights to be adjusted
- Sash finger lifts and fasteners to be checked and tightened or replaced if necessary
- Existing putty to be renewed
- Any rotten and damaged timber to be cut out and new sections carefully pieced in
- Detail of any new draught stripping to be agreed with planners prior to commencement
- Existing window panes to be washed down with soapy water
- All joinery to be prepared, primed and decorated

Scope of Works to Front Facade

- A conditions survey will be commissioned before undertaking any work
- Remedial works and cleaning to be undertaken by specialists

Proposed Front Elevation
Scale 1:100 @ A3
