Dear Sir/Madam

TOWN AND COUNTRY PLANNING (ENVIRONMENT IMPACT ASSESSMENT) REGULATIONS 1999 (AS AMENDED)

RE: Request for SCOPING opinion

Cardinal Tower, Farringdon West Over Site Development, Farringdon Road, LONDON, EC1

The London Borough of Islington has been given notice of the intention to submit an Environmental Statement (ES) relating to the above site and a request has been made for a scoping opinion under regulation 10 of the above Regulations.

As an identified 'consultation body' and pursuant to regulation 10 of the Town and Country Planning (Environmental Impact Assessment) Regulations 1999 (as amended) you are being consulted on the submitted scoping report (copy attached). I am also informing you under Regulation 12 of your obligation to make available existing information to the developer should this be requested for the production of the ES.

I would welcome your comments on the scope of the ES. I require your response within **14 days** of the date of this email (**i.e. by the 28/10/2011**) even if you have no comments. Responses by email are acceptable.

Should you require any further information or advice, please do not hesitate to contact me via email or on the telephone number below.

Yours sincerely
