Dear Sir/Madam

RE. Planning application for Solar PV array at London School of Economics - Carr Saunders Hall - PP-01682339

Please find attached application for the installation of a Solar PV array at London School of Economics building – Carr Saunders Hall. This application has been submitted at the same time as two other similar applications made by Myriad CEG on behalf of LSE as follows:

- PP-01685951 - New Academic Building
- PP-01682334 - High Holborn Hall

Please note the planning fees for all three applications have been paid separately, calculated at £170.00 each (based on less than 0.1ha of 'other operational development').

I look forward to hearing from you regarding the validation of this application.

Yours faithfully

Louise Roberts
Senior Planning Consultant
