### 3. Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s):

The college would like to re decorate the ground floor communal areas, install key fob security barriers to an entrance corridor and replace the lino/laminated floor covering.  
On the first floor landing the client would like to remove a non original curved wall to enable better people flow

Has the work already started without planning permission? ☐ Yes ☒ No

#### 4. Site Address Details

Full postal address of the site (including full postcode where available)

Description:

#### 5. Related Proposals

Are there any current applications, previous proposals or demolitions for the site?

☐ Yes ☒ No

#### 6. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

☒ Yes ☐ No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:					
Title:	<input type="text" value="Mrs"/>	First name:	<input type="text" value="Elloen"/>	Surname:	<input type="text" value="Barnes"/>
Reference:	<input type="text"/>				
Date (DD/MM/YYYY):	<input type="text" value="10/02/2011"/>	(Must be pre-application submission)			

Details of the pre-application advice received:

Ellen advised us that we would need to make a listed building submission. She did not think the removal of the curved wall or the corridor wall to be a problem as they were not original. She did however want to see the proposed floor finish, decorating colours (again the stripped pine is not original so painting is not an issue) and further information on the access control barriers.

#### 7. Neighbour and Community Consultation

Have you consulted your neighbours or the local community about the proposal?

☐ Yes ☒ No

#### 8. Authority Employee/Member

With respect to the Authority, I am:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

Do any of these statements apply to you?

☐ Yes ☒ No

#### 9. Materials

Please provide a description of existing and proposed materials and finishes to be used in the build (demolition excluded):

9. Materials (continued)

Internal walls - add description

Description of *existing* materials and finishes:

Decoration,  
The main are to be decorated in the communal break out space on the ground floor. This is a floor to ceiling pine panelled room where the pine has been stripped and waxed at some point. The ceiling is a white plaster ceiling.  
Entrance Corridor,  
This currently has a double door halfway along that is a recent addition as it has a plasterboard bulkhead.  
1st Floor landing  
There is a plasterboard curved wall that has probably been installed when the buildings were joined some time ago. We would like to remove this as it impedes student flow.

Description of *proposed* materials and finishes:

Decoration,  
We would like to paint the pine panelling to lighten the room and bring it closer to its original design.  
Entrance Corridor  
We would like to remove the double door to allow the installation of two access control barriers to enhance the security of the college. This corridor does not form part of the fire plan and is not a fire escape - The barriers will however be linked to the fire alarm panel so that they are free running in the event of an emergency.  
1st Floor landing,  
The curved wall will be removed and the exosting walls will be re decorated.

Floors - add description

Description of *existing* materials and finishes:

Floor Covering,  
The majority of the ground floor is covered by a light wood effect lino

Description of *proposed* materials and finishes:

Floor covering,  
We would like to replace the lino with a floating Amtico English Oak as this is a hard wearing finish that looks like real oak.
