OSBM 

[illegible]

NOTES

Shore pipe sizes (where shown) have been copied from the surface survey returns and should be regarded as approximate only.

A species (where shown) should be treated with caution and expert verification is advised.

Though this is a digital survey the accuracy and amount of detail shown is only commensurate with the graphical scale of mapping specified. Care should be exercised when writing to longer distances.

Visible features in the vicinity of the boundaries as shown above, may not represent the feature of legal conveyed ownership.

Not every effort has been made to achieve accuracy on this plan. ORIGINAL, Original Dimensions, Levels and Inset Levels should be checked prior to sign and construction.

It is noted have been taken in the vicinity of the channel.

Some of the details shown are approximate and may be more or less than as shown in outline only and marked as "shown in outline" on the plan.
