

HAWLEY WHARF DEVELOPMENT

CAMDEN LOCK VILLAGE

Newsletter One | November 2010

DEAR NEIGHBOUR,

I am writing to invite you to view the latest proposals for the Hawley Wharf development, which forms part of the regeneration of the area around Camden Market.

We have been in discussion with the council and community stakeholders for a number of years about the proposals. These discussions have helped shape our proposals into an exciting development which will not only regenerate the area, but will provide local employment opportunities, new homes as well as new public open spaces for local people to enjoy. We hope our proposals will meet everyone's expectations.

We are hoping to submit a planning application for the entire development to the council in the new year.

The proposals will be on view at a public exhibition over three days from **Thursday 11th to Saturday 13th November** at James Cameron House, CastleHaven Road, London.

(Please see full details and map overleaf)

The purpose of the exhibition is to provide local residents, businesses and other stakeholders with an early opportunity to view the latest proposals for the site, raise any local issues you would like the development team to be aware of and to provide general feedback to us on the proposals to help shape them further before we submit an application.

Following the extensive discussions with the Council and other community stakeholders we are confident that we have designed a scheme that meets the requirements set by LB Camden and responds well to the needs of the local community. We are keen to deliver a scheme which will enhance the area and contribute positively to the neighbourhood.

I look forward to meeting you at our exhibition.

In the meantime, if you have any further questions or queries you can contact Az Choudhury, who is handling community consultation for the project on 0870 066 8734 or by email azizun.choudhury@fourcommunications.com

Kind regards

Mark Alper, Camden Market Holdings Ltd
