Application for Planning Permission and conservation area consent for demolition in a conservation area. Town and Country Planning Act 1990

Planning (Listed Building and Conservation Areas) Act 1990

You can complete and submit this form electronically via the Planning Portal by visiting www.planningportal.gov.uk/apply Publication of applications on planning authority websites

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

Please complete using block capitals and black ink.
It is important that you read the accompanying guidance notes as incorrect completion will delay the processing of your application.

Title: MS First name: GILLIAN	Title: First name:

14. Biodiversity and Geological Conservation	15. Existing Use
() \	Please describe the current use of the site:
To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.	
Having referred to the guidance notes, is there a reasonable	
likelihood of the following being affected adversely or conserved	is the site currently vacant? Yes No
and enhanced within the application site, or on land adjacent to or near the application site?	If Yes, please describe the last use of the site:
a) Protected and priority species: Yes, on the development site Yes, on land adjacent to or near the proposed development	
No	When did this use end (if known)? (DD/MM/YYYY):
Yes, on the development site	. L
Yes, on land adjacent to or near the proposed development No	Does the proposal involve any of the following? If yes, you will need to submit an appropriate contamination assessment with your application.
[]	Land which is known to be contaminated? Yes No
c) Features of geological conservation importance:	Land where contamination is suspected for all or part of the site? Yes No
Yes, on the development site	A proposed use that would
Yes, on land adjacent to or near the proposed development No	be particularly vulnerable to the presence of contamination?
16. Trees and Hedges	17. Trade Effluent
Are there trees or hedges on the	Does the proposal involve the need to dispose of trade effluents or waste? Yes No
proposed development site? Yes No And/or: Are there trees or hedges on land adjacent to the	If Yes, please describe the nature, volume and means of disposal
proposed development site that could influence the development or might be important as part	of trade effluents or waste
of the local landscape character? Yes No	
If Yes to either or both of the above, you may need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should	
contain, in accordance with the current 'BS5837: Trees in relation to construction - Recommendations'.	

18. Residential Units (Including Conversion) Does your proposal include the gain, loss or change of use of residential units? Yes No If Yes, please complete details of the changes in the tables below:
