Application for Planning Permission and listed building consent for alterations,

extension or demolition of a listed building.

Town and Country Planning Act 1990

Planning (Listed Buildings and Conservation Areas) Act 1990

You can complete and submit this form electronically via the Planning Portal by visiting www.planningportal.gov.uk/apply

Publication of applications on planning authority websites

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

Please complete using block capitals and black ink.

It is important that you read the accompanying guidance notes as incorrect completion will delay the processing of your application.

| 15. Foul Sewage | 16. Assessment of Flood Risk |
|---|---|
| Please state how foul sewage is to be disposed of: Mains sewer Cess pit Septic tank Other Package treatment plant Are you proposing to connect to the existing drainage system? Yes If Yes, please include the details of the existing system on the application drawings and state references for the plan(s)/drawing(s): | Is the site within an area at risk of flooding? (Refer to the Environment Agency's Flood Map showing flood zones 2 and 3 and consult Environment Agency standing advice and your local planning authority requirements for information as necessary.) Yes : No If Yes, you will need to submit a Flood Risk Assessment to consider the risk to the proposed site. Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck!? Yes No Will the proposal increase the flood risk elsewhere? Yes No How will surface water be disposed of? |
| | Sustainable drainage system Existing watercourse |
| | Soakaway Pond/lake |
| | Main sewer |
| 17. Biodiversity and Geological Conservation | 18. Existing Use |
| 17. Biodiversity and Geological Conservation To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals. Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site? a) Protected and priority species: Yes, on the development site Yes, on land adjacent to or near the proposed development No b) Designated sites, important habitats or other biodiversity features: Yes, on land adjacent to or near the proposed development No c) Features of geological conservation importance: Yes, on land adjacent to or near the proposed development No | 18. Existing Use Please describe the current use of the site: Is the site currently vacant? Is the site currently vacant? Yes No If Yes, please describe the last use of the site: When did this use end (if known)? (DD/MM/YYY) (date where known may be approximate) Does the proposal involve any of the following? If yes, you will need to submit an appropriate contamination assessment with your application. Land which is known to be contaminated? Yes No A proposed use that would be particularly vulnerable to the presence of contamination? Yes |
| 19. Trees and Hedges | 20. Trade Effluent |
| Are there trees or hedges on the proposed development site? Yes No And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? Yes No If Yes to either or both of the above, you may need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning | Does the proposal involve the need to dispose of trade effluents or waste? Yes No If Yes, please describe the nature, volume and means of disposal of trade effluents or waste |
| authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to construction - Recommendations' | |
