Attention: Elizabeth Beaumont, Planning Officer

Dear Ms Wheat,

Town and Country Planning Act (as amended)
Carriageway adjacent to Nos. 19-31 Acton Street, WC1, London Borough of Camden
Planning Portal Reference: PP-01649505

In the context of the Mayor's transport policy, Transport for London (TfL) has been tasked with implementing and operating a cycle hire scheme in London. Barclays Cycle Hire was successfully launched on 30 July 2010. Building on the success of the scheme to date, the Mayor has announced a commitment to expand the zone eastwards to include the London Borough of Tower Hamlets and North Shoreditch in the London Borough of Hackney. TfL is also intensifying the number of docking points in the existing scheme area to meet the additional demand generated by the eastern expansion.

A docking station comprises the terminal and docking points at one site. Users will hire a cycle from the docking station, use it as desired and return it to either the same or another docking station. The terminal is required to secure and release the cycles, for payment of subscription fees and user tariffs, and to provide information about the area including the location of other docking stations and way-finding mapping (which has deemed advertising consent).

The application has been made on the Planning Portal, and 3 hard copies have also been provided as agreed. It consists of:

- Planning Application Form, including appropriate certificates and notices
- Planning Application Drawings comprising:

Red Line Location Plan	Drawing #: 02-610292-L Rev A
General Arrangement	Drawing #: 02-610292-GA Rev A

- Planning, Design and Access Statement, including photographs of site as existing (for information)

The planning application fee of £335 has been paid by the BACS payment on 11 April 2011 (reference D2104 TC270).

I look forward to receiving confirmation that the application is valid in due course. Given the nature of the application and the comprehensive pre-application discussions, we hope you will be able to determine this application within the statutory 8 week period.
