Dear Mr Thuaire

Approval of Details: Listed Building Consent 2008/0662/L: Condition 6

Nathaniel Lichfield & Partners (NLP) act on behalf of Hush Properties UK Ltd in respect of its interests at the above property. On their behalf, we enclose an application to discharge planning condition 6 of Listed Building Consent 2008/0662/L granted on 19 January 2009.

Condition 6 states:

"A detailed method statement in respect to the proposed underpinning works, including details of dismantling and propping of the existing walls shall be submitted to and approved in writing by the Council before works are commenced. The relevant parts of the works shall not be carried out otherwise than in accordance with the details thus approved."

Application Submission

In accordance with the requirements of Condition 6, we enclose the following report for your approval:

- Detailed Method Statement for Proposed Underpinning and Temporary Works to Heath House (prepared by Galbraith Hunt Pennington)

This has been prepared with regard to comments from your colleague Charles Rose received by email on 23 August 2011 (regarding the proposed method of underpinning and scope of the detailed method statement).

As this application relates to the discharge of a planning condition attached to a Listed Building Consent no application fee is payable.
