

Proposed Development to
Rear of 149 Abbey Road

No 11 Abbots Place

Abbots Place (face on) Elevation

INFORMATION:

© This drawing is copyright. Figured dimensions only to be taken from this drawing. All dimensions to be checked on site. Architects to be informed immediately of any discrepancies before work proceeds

NOTES:

EXTERNAL WALLS

External walls of building above ground level are to have white metric modular facing bricks to match the adjoining property, with glazed blocks to the side walls to give additional natural light.

GARDEN WALLS

The garden walls are to be finished in a smooth white painted render with iron railing to match the adjoining property.

DOORS AND WINDOWS/GLAZING

The doors and windows are to be constructed of double glazing, with black powder coated aluminium frames.

PATIOS AND PAVING

The court and patios are to be finished in natural stone paving slabs.

ROOF

The roof is to have a green finished single ply roofing membrane with standing seams.

ROOFLIGHTS

The rooflights are to be standard Velux tilting rooflights

SOLAR PANELS

Modular Solar panels are to be installed on the south facing roof.
