Alsoop Architect's role on this project is that of Designer as defined in Regulation 13 of the Construction (Design Management) Regulations 1994 (CDM). The design has been prepared with regard for the need under CDM to specifically consider risks to health and safety. The CDM affect the Contractor's normal health and safety obligations when undertaking constructional operations. You are reminded of your duties under CDM and particularly to consider matters detailed in the Health and Safety Plan. Professional advice should be sought if you are in any way unclear as to your obligations under CDM.
