The above columns are to be used to identify those consultees who can be notified in different ways:

- 1. Will accept electronic notification and will view applications on web
- 2. Will need a printed copy but can accept at A4 size
- 3. Will need a printed copy with all plans at approporiate scale
- 4. "Email attachment" has also been included but this would need to be collated manually and is therfore not the recommended option
