

Fascia Specifications

Illuminated Sign Specification

Illuminated light box sign of the TaxAssist Accountants logo: The box shell is to be powder coated gun metal grey to RAL 7011, with suitable frame dependant on size.

The signage is constructed using four Acrylic colours Blue / Yellow / White and Opal using the following acrylic references.

The £ sign and white lettering is fret cut from a 3mm blue acrylic panel. A 2mm opal acrylic panel is bonded to the rear of the blue acrylic.

The yellow pound sign is routed from 5mm yellow acrylic and inlayed into the blue acrylic and bonded to the opal panel. The white TaxAssist Accountants text is routed from 5mm white acrylic and is inlayed and bonded to the opal acrylic. The blue small text "The Accountancy and Tax Service for Small Business" is in blue self adhesive vinyl (**Avery 877PC Bright Blue**).

| Colour | Ici reference | Plexiglas reference |
|--------|---------------|---------------------|
| Blue | ICI 727 | PLEXI 2803 |
| Yellow | ICI 261 | PLEXI 2762 |
| White | N/A | PLEXI 2411 |
| Opal | ICI 050 | N/A |

Non-Illuminated Sign Specification

Non-illuminated frame & panel sign of the TaxAssist Accountants Logo: The suitable frame dependant on size is to be powder coated gun metal grey to RAL 7011.

The signage is constructed using one 5mm blue Acrylic panel. The £ symbol, white lettering and small text "The Accountancy and Tax Service for Small Business" are to be produced in self adhesive vinyl replicating TaxAssist Accountants official colours and applied to the face.

| Colour | Vinyl / Acrylic Reference |
|--------|-----------------------------|
| Blue | ICI 727 / PLEXI 2803 |
| Yellow | Avery 807PC Primrose Yellow |
| White | Avery 800PC White |
