

View from the Heath, showing 1 Sandy Road (on the left) in its context.

Detailed view from the Heath, showing the side and rear elevation to the existing extension to 1 Sandy Road (on the left). The view shows the existing windows that are proposed to be removed, and replaced with painted softwood double glazed windows. The rear, smaller window, is also proposed to have its cill lowered to come into line with the cill of the side window.
