Formal datails (drawing of 2 AmH Euroquard Extra Fencing) of the temporary boundary treatment to the northern boundary of the new access road, to make the existing
boundary details to the British Library site and fulfil the Library's requirement for a secure boundary during the construction on the land to the rear.
7. Part Discharge of Condition(s)
Are you seeking to discharge only part of a condition? • Yes • No
If Yes, please indicate which part of the condition your application relates to:
We are aware that proposals for the land to the rear will include a requirement to review the boundary treatment between the proposed east-west permeability route and the Library's access route and these details should be considered as temporary pending the submission and approval of that detail.
8. Site Visit
Can the site be seen from a public road, public footpath, bridleway or other public land?
If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select only one)
The agent

9. Declaration

I/we hereby apply for planning permission/consent as described in this form and the accompanying plans/drawings and additional information.
