Planning Statement

151 Fortress Road, London NW5 2HR

The site is in use as a restaurant since 1996. The existing opening hours are 11:00 to 23:00 hours on Mondays to Fridays, 09:00 to 23:30 hours on Saturdays and 11:00 to 23:30 hours on Sundays.

The application is submitted because since 1996 lots of premises started to work with extended hours in the area as the site is on a main road. The proposed opening hours are; until 00:00 Sundays to Wednesdays and until 02:00 Thursdays to Saturdays.

The premises is in use since many years without any problems or complaints with the help of sound proofing between the upstairs residential units and the restaurant.

In the existing economical circumstances, while we have the demand for longer hours from our existing customers and we see the potential on development of the business, we request to extend the opening hours.

Kind regards,
Ozlem Ipek
