RE: 124A Greencroft Gardens NW6 3 PJ Erection of a single story rear extension

Design and Access Statement

This application is to make amendments for an erection of a single storey rear extension to the garden flat residence which has already been granted in 2009. The nature of this amended design is to accommodate a conservatory next to the extended bedroom. The structure will involve digging appropriate foundation to sustain a good and stable structure for the extended built area. See additional sheet for the material specifications. The access to the rear extension will be through the entrance of flat 124a Greencroft Gardens NW6 3PJ.
