Dear Lina, we confirm the following:

- The property has been marketed since January 2010 on all the major websites, board and other means of advertising and we will continue to advertise it
- We have received some enquiries, none of which have been productive
- As a company we have experience in this type of letting and we can assure you we are doing our best to find a suitable tenant.
- The difficulty seems to be of a unit in a predominately residential area and is not a major thoroughfare, which limits the tenant's prospect for passing trade.
- We will keep you informed if the situation changes, but this seems unlikely in this economic climate.

Regards,

Stelios Hamalis
