Further to our telephone conversation, I confirm that drawing no. L(0)028A Rev C is not relevant to discharge condition PA3i. Ramps and handrails to new doors in Grafton Road are shown on our drawing A(90)001 Rev T3 Issued previously) and also on our drawing no. L(0)028 Rev C1. It would appear that the wrong drawing was submitted originally. I have attached a copy of our drawing no. L(0)028 Rev C1 in PDF format for your information. Could you please substitute this drawing with the one issued previously. Please let me if you require hard copies of this drawing.

I trust that the attached information meets with your requirements and look forward to receiving the approval. Please ring me if you require any further information.

Kind Regards,
