Subject: PERMISSION TO PRUNE TREES AT 6 COURTHOPE ROAD
Importance: High

I would be grateful if you provide permission to prune 2 Lime Trees situated in the front garden of **6 Courthope Road, NW3 2LB**. I want permission for the trees to be pruned down to a Pollard.

The trees are causing an obstruction to the front garden, access to bins and to my windows with a ladder on the 1st floor is partially blocked, I also have loss of light to my first floor flat.

I would be grateful if permission can be granted as soon as possible.

Regards
