What an awful heading! I have a weeping elm in my garden at 49 Albert Street NW1 7LX which, according to a tree surgeon employed by you to whom I spoke yesterday, is dangerous and will fall eastwards onto the pavement, injuring anyone happening to be passing. He said if I informed you, you would send someone to look at it. I look forward to hearing from you. My phone number is 0207 387 2695.

Thank you
