#### 5. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application? ☒ Yes ☐ No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title: <input type="text" value="Mr"/>	First name: <input type="text" value="Jamie"/>	Surname: <input type="text" value="Forsman"/>
Reference: <input type="text" value="2009/4499"/>		
Date (DD/MM/YYYY): <input type="text" value="19/11/2009"/>	(Must be pre-application submission)	

Details of the pre-application advice received:

the case officer advised that the previous application would have met with approval, had the width of the then proposed 1st storey addition been reduced. In this revised proposal, the first floor element has been removed altogether, and the overall height of the proposed gr.fl. addition has been capped at the height of the existing boundary walls, in respect to the neighbour's preference. Hence we are confident that this more modest application should meet both with local and council approval
