Bentley Bridge Way, Wednesfield.

NOW AVAILABLE IN BIKE  
FRIENDLY DURACAST MATERIAL

## BXMW/GH0 Harrogate Cycle Stand

from £41.90

This popular tubular cycle stand allows the bike's frame to be secured by the users own lock.

- Available in 50mm dia. steel, hot dipped galvanized to BS EN ISO 1461:1999, and polyester powder coated.
- Also available in stainless steel and duracast polyurethane (£POA).
- Duracast is an engineering grade polyurethane which is rust and corrosion resistant and virtually maintenance free. As it is a polymer it provides maximum protection against damaging the bikes frame.
- All versions available base plate or submerged fixed.

Polished stainless steel option root fixed into block paving.
