Dear Sir/Madam

NOTICE OF INTENT

And the second s

Please quote the above reference number on all correspondence.

We have been contracted to carry out tree work at the above site.

Please confirm by return, whether or not this is in a conservation area or if there are any TPO's on the trees in question.

If so, then the specification for works is as per attached schedule.

If you require any further information please do not hesitate to contact me at the office. Otherwise I will expect to hear from you within the due statutory six-week period.

Your earliest response would be greatly appreciated.

Thank you.

Yours sincerely

Louise Valentine IMS (Ushers) Ltd

Application for tree works: works to trees subject to a tree preservation order (TPO) and/or notification of proposed works to trees in a conservation area.

Town and Country Planning Act 1990

Publication of planning applications on planning authority websites

Please note that with the exception of applicant contact details, the information provided on this application form and in supporting documents may be published on the authority's websita.

If you have provided any other information as part of your application which falls within the definition of personal data under the Data Protection Act which you do not wish to be published on the authority's website, please contact the authority's planning department.

Please complete using block capitals and black ink.

You must use this form if you are applying for work to trees protected by a tree preservation order (TPO). (You may also use it to give

notice of works to trees in a conservation area).

It is important that you read the accompanying guidance notes before filling in the form. Without the correct information, your application / notice cannot proceed.
