10. Application For Tree Works - Checklist
Please use this checklist to ensure that the form has been completed correctly and that all relevant information is submitted.
For works to trees protected by a Tree Preservation Order, failure to supply sufficiently precise and detailed information may result in your application being rejected or delay in dealing with it. In particular, you MUST provide the following:
3 copies of a completed and dated application form.
3 copies of a sketch plan showing the location of all tree(s).
3 copies of a full and clear specification of the works to be carried out.
3 copies of a statement of reasons for the proposed work.
<ul> <li>evidence in support of statement of reasons. In particular, you should provide:         <ul> <li>3 copies of a report by a tree professional (e.g. arboriculturist or horticultural adviser) if your reasons relate to the health and/or safety of the tree(s).</li> <li>3 copies of a report by an engineer or surveyor, together with one from a tree professional (arboriculturist) if you are alleging subsidence damage.</li> </ul> </li> </ul>
For works to trees in conservation areas, it is important to supply precise and detailed information on your proposal. You may, therefore, wish to provide the following:  3 copies of a completed and dated form, with all questions answered.
3 copies of a sketch plan showing the precise location of all tree(s).
3 copies of a full and clear specification of the works to be carried out.
Whether the trees are protected by a TPO or in a conservation area, please indicate which of the following types of additional information you are submitting (3 copies of each need to be provided):
- photographs.
- report by a tree professional (arboriculturist) or other.
- details of any assistance or advice sought from a Local Planning Authority officer prior to submitting this form.
- details of any assistance or advice sought from a Local Planning Authority officer prior to submitting this form.
