NOTIFICATION OF PROPOSED TREE WORK IN A CONSERVATION AREA

PROPOSED TREE WORK AT 32 Torriano Cottages, NW5 2TA

The tree concerned is located in the front garden of the property.

It is a Prunus Cerasifera nigra. I am proposing to thin out the tree by a maximum of 20%, and to cut the tree away from the surrounding property by 2m.

As the property is located in a conservation area, I am requesting permission to undertake the proposed work.

The tree is easily viewed from the street

I look forward to your reply,

Yours sincerely,

Gareth Wellburn
