NOTIFICATION OF PROPOSED TREE WORK IN A CONSERVATION AREA

PROPOSED TREE WORK AT 40 Laurier Road NW5 1SJ

The trees concerned are located in the rear garden of the property.

1 There is a Willow, which has been pollarded some years ago. The tree is in poor health and has recently shed a large dead stem. I am proposing to re-pollard the remaining stem.

2 There is a Crab Apple, which I am proposing to reduce by max 25%

As the property is located in a conservation area, I am requesting permission to undertake the proposed work.

To access the garden, contact Mrs Chris Baron, tel 0207 485 1873

I look forward to your reply,

Yours sincerely,

Gareth Wellburn

Public liability insured

Qualified (ND Arb RFS Cert Arb)

Tree work carried out in accordance with BS 3998

Burnwell trees provide quality tree care, enabling appreciation of the trees around us
