

Our ref: 14637

1st June 2010

The Chief Planning Officer
London Borough of Camden
Camden Town Hall Extension
Argyle Street
London
WC1H 8EQ

(MARCUS WHITWORTH- PROJECT MANAGER)

Dear Sir/Madam

CLARIFICATION OF THE DECLARATION OF ICNIRP COMPLIANCE ISSUED AS PART OF THE PLANNING APPLICATION ATTACHED FOR SITE (CS 14637 - O2 46416 - VF 36743) THE DUTCH HOUSE, 307-308 HIGH HOLBORN, LONDON, WC1V 7LL

I refer to the Declaration of Conformity with ICNIRP Public Exposure Guidelines ("ICNIRP Declaration"), sent with this application in relation to the proposed telecommunications installation as detailed above.

The "ICNIRP Declaration" certifies that the site is designed to be in full compliance with the requirements of the radio frequency (RF) guidelines of the International Commission on Non-ionizing Radiation (ICNIRP) for public exposure as expressed in the EU Council recommendation of July 1999.

The ICNIRP declaration produced by Vodafone takes into account the cumulative effect of the emissions from the proposed installation and all radio base stations present at, or near, the proposed location.

The radio emission compliance calculation is based upon the maximum possible cumulative values.

If you have any further enquiries concerning the "ICNIRP Declaration" certificate or the certification process please contact the Cornerstone EMF UNIT on 08454 450 450.

Yours sincerely

A handwritten signature in black ink, appearing to read 'M. Whitworth', written over a horizontal line.

PROJECT MANAGER
