Datum Level = 48.00 m

NOTES
All dimensions are to be checked by the contractor before any work commences.
In the case of apparent discrepancy refer immediately to the originator.
The accuracy and completeness of the survey is dependent on the originator.
The type and extent of information and survey accuracy will be as shown matched to the client's requirements.
All information must refer to the Greenhatch Group Ltd. drawing or the survey.
The detail of this survey was not intended for use in the design of the building at a scale of 1:200. It is not intended to be used for planning or design at this scale.
