

THE ALTERATION, REFURBISHMENT AND REPAIR OF BEECHWOOD HOUSE

Description of Proposed Works for Listed Building Consent application.

Replacement of existing modern secondary access link at east end of House with new service accommodation (Laundry, cold stores, boot room, etc) to serve the House and existing Kitchen extension (1970's).

Minor alterations to 3 No. external openings to improve access to garden terrace.

General refurbishment of the House interior involving replacement of modern suspended ceilings, floor finishes, joinery and services installations, together with limited improvements to room layouts to provide more sympathetic architectural interior commensurate with the Listed Building's character.
