

8 Sound data

8 - 1 Sound pressure spectrum

8

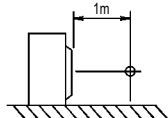

RXS20-25G

3D059599

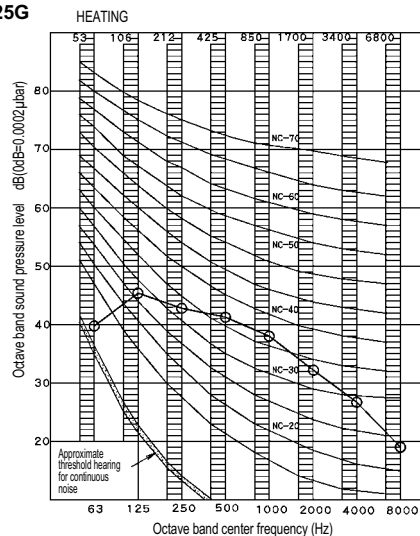

NOTES

- Operating conditions:
○ : 50 Hz 220-240V (dB) Overall (dB)
Cooling
- Measure in anechoic room
- Location of microphone

- Operation noise differs with operation and ambient conditions.

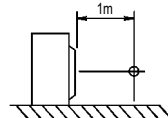

RXS20-25G

3D059599

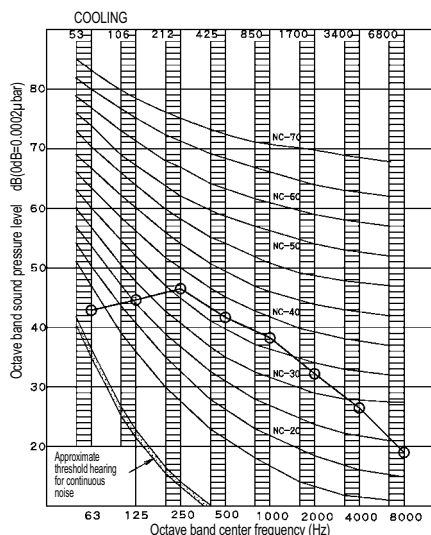

NOTES

- Operating conditions:
○ : 50 Hz 220-240V (dB) Overall (dB)
Heating
- Measure in anechoic room
- Location of microphone

- Operation noise differs with operation and ambient conditions.

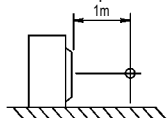

RXS35G

3D059593

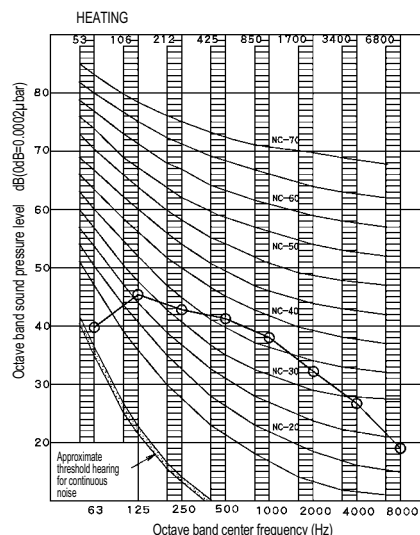

NOTES

- Operating conditions:
○ : 50 Hz 220-240V (dB) Overall (dB)
Cooling
- Measure in anechoic room
- Location of microphone

- Operation noise differs with operation and ambient conditions.
