Dear Sirs

**RE: APPLICATION REF 2010/2455/INVALID/IN
INCOMPLETE PLANNING APPLICATION
210 HIGH HOLBORN, LONDON WC1V 7BW**

Further to your email of 20 May 2010, please find revised drawings to support the application to replace the air conditioning chiller.

Drg:	1263 GAX 13 H1	-	✓	East elevation as existing
	1263 GA 13 H2	-	✓	East elevation as proposed
	1263 GAX 14G	-	✓	Existing rear elevation
	1263 GA 14G	-	✓	Proposed rear elevation
	1263 GAX 11F	-	✓	Existing front elevation
	1263 GA 11F	-	✓	Proposed front elevation
	1263 BR 02 A1X	-	✓	Roof as existing
	1263 BR 02 A1	-	✓	Roof as proposed.

Four copies of all drawings have been submitted.

Also enclosed is a revised Planning Application Form. This covers normal planning consent only and not that required for a listed building. Again four copies of the application are enclosed, together with four copies of your Incomplete Reasons Schedule.

If you require any other documents or information, I can be contacted on the above email address or on mobile: 07854 771460.

Yours faithfully

**STEVE MCCAHERY**
