Area of Impact of Proposed Works
HOW DOES THIS AFFECT YOU?

1. The proposed works will involve the installation of a new traffic light system at the junction of the street and the main road. This will result in a temporary closure of the footpath for a period of approximately 10 days.

2. During this time, the footpath will be closed to pedestrians and the road will be widened to accommodate the new traffic light system. This may result in some inconvenience to pedestrians and motorists.

3. The works will also involve the installation of a new pedestrian crossing at the junction. This will result in a temporary closure of the road for a period of approximately 10 days.

4. During this time, the road will be closed to traffic and the footpath will be widened to accommodate the new pedestrian crossing. This may result in some inconvenience to pedestrians and motorists.

5. The works will also involve the installation of a new bus stop at the junction. This will result in a temporary closure of the road for a period of approximately 10 days.

6. During this time, the road will be closed to traffic and the footpath will be widened to accommodate the new bus stop. This may result in some inconvenience to pedestrians and motorists.
