Dear Sirs

**RE: Proposed Replacement of Garden Shed at 4 Keats Grove.**

This submission is for the replacement of the 15-year-old 2m wide, 2.5m deep and 2.4m high softwood garden shed with a new 4.05m wide, 2.7m deep and 3m high softwood log cabin.

The replacement lies at the bottom of the garden in the same location of the existing garden shed.

The enclosed drawings illustrate the proposed replacement as follows: -

1. 28mm Softwood panel walls.
2. Roof will be Green Shingle Roofing Felt.
3. Windows and doors. Softwood frame with toughened safety glass.
4. Floor will be 600x600mm and 50mm thick concrete paving slabs.
5. No electrics and plumbing will be installed in the garden shed.

If you require any further information in relation to this submission please do not hesitate to contact me.

Yours faithfully,

Mr Chris Johnson
