General enquiry form - Ref. 6229427

Customer

Name

Irving Yass

My enquiry is

We have an ornamental cherry tree in our back garden, about 3 or 4 m high, which has blown over. We have propped it up - otherwise it would fall. We would like to remove it and replace it by a similar tree. We are planning to have this done in about two weeks. If I do not hear from you by Friday 11th June I will assume this is OK.

I would like to be contacted by

eMail
