

Customer

Name

Hamish Lodge

My enquiry is

Further to my conversation with an officer in regards to an XL Lime tree at the rear of HSBC Bank, I would like to apply to reduce this tree by 30 % and also to remove and replant 9 pleated lime trees in the garden adjacent to the tree. The wall is being replaced as it is currently unsafe and in order to remove the wall the pleated lime trees will need to be removed and replaced with similar sized specimens. I thought that it would be a good idea to reduce the sail of the XL lime tree considering that ground works are taking place with the removal of the wall. I look forward to hearing from

you.

Dear Mr Lodge,

Further to our phone call, if you could email me the address and position of the Tree in question.

Once I have this information I can then validate you application moving it along faster.

(To provide you with the best possible service, incoming emails are handled by the team as a whole: please help us maintain standards by sending all responses to this email to ppp@camden.gov.uk)
