Dear Sir or Madam,

Please find attached the email we sent on March 17th to carry out tree works at the above address. I've had a look at the Council website and cannot find it.
We received an email from Amy Catlin of Camden Council's Customer Support Team on May 4th to say there is no record of our application, but as you can see from the email attached (below) it definitely went to the correct address.

Please let me know when we can expect a decision on the application.

Kind regards,

Lorraine
