Hi Alex

Here is the spec for the works to be carried out at St. Johns Cemetery, Church Row, Hampstead.

- Removal of 2 Elder limbs growing over the boundary wall
- Section felling of Horse Chestnut.
- Section felling of Self sown Sycamore growing out of base of the wall.

Regards

Robert Butcher  
Arboricultural Officer

Hi Rob,

Just send me an email re spec for works we went to see this morning. State address and location of trees, species and proposed works.

Alex
