The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies B1 [General Design Principles], B3 [Alterations and Extensions] and B7 [Conservation Areas] of the London Borough of Camden Replacement Unitary Development Plan 2006.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans:

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposed development is in general accordance with the policy requirements of the London Borough of Camden Replacement Unitary Development Plan 2006, with particular regard to policies SD6 (Amenity for occupiers and neighbours), B1 (General Design Principles), B3 (Alterations and Extensions) and B7 (Conservation areas). For a more detailed understanding of the reasons for the granting of this planning permission, please refer to the officer's report.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 2363).
- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Planning and Public Protection Division (Compliance and Enforcement Team), Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 5613 or by email ppp@camden.gov.uk or on the website www.camden.gov.uk/pollution) or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

- 4 The 'as existing' drawings have been annotated to show glass balustrading around the perimeter of the flat roof of the northern wing. It is noted that this is incorrect and that the roof is currently enclosed by timber balustrading. This permission does not grant approval for the balustrading, however, it is acknowledged that there are extant permissions which permit its installation (2006/1342/P [still alive as part implemented] & 2008/0500/P).
