-
- The plan shows a dense urban area with numerous buildings. Key streets include Euston Street, Stephenson Way, Gower Place, Gordon Street, Torrington Place, and Mallett Street. Landmarks such as the Wellcome Research Institute, Government Offices, The Cloisters, University Church of Christ the King, and the University of London Union are labeled. A large area, bounded by Gower Place, Gordon Street, and Mallett Street, is shaded black, indicating the site of the proposed new building. The plan also shows various courtyards and smaller structures, including the Courtyard House and the College Hall.

-
- This architectural site plan depicts the University of York campus. At the top right, a north arrow points upwards, labeled 'REF' and 'N'. The plan shows several streets: Melton Street runs vertically on the left; Endleigh Gardens runs horizontally in the middle; Gordon Square is located in the lower middle; and Woburn Square is at the bottom. Buildings are represented by outlines and many are numbered. A building labeled 'Friends House' is situated near Endleigh Gardens. A large green area with a winding path is located between Endleigh Gardens and Gordon Square. The plan also shows various other buildings, some with specific labels like 'YVCA Hostel' and 'Pavilion'. The overall layout shows a mix of academic buildings, green spaces, and residential-style structures.
